Description

GVG SPECIAL GUN

Hangin F Cattle Co. is proud to present our star attraction: GVG SPECIAL GUN. Affectionately known as Noché, this magnificent gelding is the epitome of a dream horse. Standing just under 15hh, Noché embodies the perfect blend of safety, athleticism, exceptional lineage, and looks. Double registered through AQHA and APHA, this 2019 chrome sorrel gelding is by the esteemed GUNNERS SPECIAL NITE: \$5.8 Million Dollar Sire and a leading son of the legendary COLONELS SMOKING GUN. Noché's Dam, CMF ANNIEGETYOURGUN, is by multiple World Champion Reining Sire, COLONELS LIL GUN. With remarkable bloodlines, it is no surprise that Noché inherited such exceptional qualities and talent. Noché's versatility and gentle nature make him a trustworthy choice for riders of all skill levels, at only 4 years old. He has been an invaluable asset to the ranch with extensive experience dragging calves, doctoring,

gathering, and sorting. Extending beyond his use outside and into the arena, he continues to shine with precise maneuvers: big sliding stops, quick turn arounds, and controlled circles on a loose rein. Noché is reliable and consistent regardless of time off. Whether your interests lie in ranch versatility, reining, western riding, sorting, ranching, roping, or a leisurely ride on the trail, Noché is the perfect partner for all of your endeavors. We've started roping both ends out of the box on him and he would make an outstanding Rope Horse Futurity prospect. He is eligible for the NRHA, NRBC, Royal Crown, 100x Stakes, and RMRHA Stallion Stakes. If you're seeking a safe, athletic, and impeccably mannered horse that will become your trusted companion for many years to come, Noché is the perfect choice. Don't miss the opportunity to bring home this phenomenal gelding and embark on countless unforgettable adventures together. We would love to discuss Noché in more detail with you, so don't hesitate to reach out to us. Contact Maddie Fantaskey at [307-431-0575](tel:307-431-0575) or email us at hanginfcattleco@gmail.com.
