**Description**

**CAMAS CREEK BLUES**

Sulley is a stunning Blue Roan 7 year old Gelding that we raised on our family ranch. He is out of our very best broodmare. A big kindhearted soul that wouldn't hurt a fly! He loves attention and can handle long periods of time off while staying honest. He is a true gentleman to saddle, bath, shoe, stand tied, load/haul, etc. He has a strong work ethic and genuine respect for his rider. While Sulley has a great foundation in the arena, his favorite place to be is on the ranch moving cows or on a nice trail ride in the mountains. We run a forest allotment where we care for 1600 pairs through the summer months and Sulley grew up with a full-time job on that allotment. He learned

to really walk out fluently and is a pleasure to ride on the trails. He steps over the down timber without hesitation and gets through the rocks and badger holes with ease. He willingly crosses the water and goes anywhere he is asked without any objection. Sulley has a fair amount of natural cow sense and would make a nice ranch versatility prospect. He rides soft in the face and ribs in about any bridle. I have even ridden him in from the bottom of the field bareback with just a string around his neck. He is simply a levelheaded nice gelding that wants to be your partner. Just a 7 year old with his whole life ahead of him. Gorgeous conformation with a big shapey hip and keen head. He has dark feet all the way around, the kind that should last forever. True blue roan with a classy black head. Stands 15.3 and will weigh 1350lbs For further info or to schedule a time to come meet Sulley at our place prior to the sale please contact Dan or Becky at [208-221-1090](tel:208-221-1090).
