CAT ROSALEE

One of the coolest geldings we've ever had the pleasure of owning. If you've been on the hunt for a bona fide, finished ranch horse...look no further. Biscuit has done absolutely everything on a working ranch one can think of. This 2016 AQHA Registered Gelding is by SHOOTER CAT who is by the great HIGH BROW CAT (ALL TIME LEADING CUTTING HORSE SIRE; OFFSPRING EARNING IN EXCESS OF \$86 MILLION) Biscuit's dam on the top side is none other than AWESOME AUTUMN (2017 HIGH SELLING BROODMARE NCHA FUTURITY STAKES SALE \$200,000; Producer of \$400,000+ and earner herself of \$22,725) Biscuit's bottom side to his pedigree is as equally astounding. Biscuit's dam is sired by the amazing TWO EYED RED BUCK who is a leading reference sire for Pitzer Ranch. TWO EYED RED BUCK has produced multiple ranch, rope, versatility, and barrel horses. Biscuit has an unmatched disposition to go along with his amazing work ethic. He greets you at the gate, saddles up gentle and

quiet every single time, and never shy's away from a job. Biscuit has been used on the ranch from people of all ages. 13-75; Biscuit adjusts to anyone's riding style or demands. Biscuit could easily transition over to the show world if you have no desire to work on him. He has beautiful transitions, travels low headed, is wrapped in our person favorite color-blood bay, and has all the shape/substance you can put on one. Biscuit stays gentle with any amount of time off. He has never offered any foolishness and comes equipped with ranch horse manners that are so hard to come by. He will ride with or without a group, gets along well with other horses, and has a personality the size of Dallas. Biscuit stands 14.3 hands tall and will weigh 1300lbs, making him the perfect size for everyone. We would love for you to come try or visit with you about this exceptional gelding.
