### **Description**

**PATSY**

Patsy is a classic! Big hipped, big eye and an ever bigger heart! This beautiful pony has been put to every test you can imagine by our kids. She's one handed broke, extra smooth and forgiving and has the tolerance of a 25 yr old gelding! Patsy has had a real job in the Texas panhandle at the feed yard and taking care of outside cattle. Patsy is stout enough to drag the big calves at spring works but quiet and kind enough for the little kids to learn to do it on. Patsy rides out alone or in a group just the same. Saylor has also shown Patsy at our local shows and at our fair. She even goes English very nicely! She has a cute jog and an easy slow lope. She stays soft and correct just like a big horse and packs a good little stop and turn around. Patsy hauls great and the commotion and chaos never bothers her. She's safe around traffic fireworks and

machinery and she crosses obstacles with ease. Our children have rode her all over the Palo Duro Canyon and Canadian River. She's one they climb on bareback and ride to town for sodas and candy and very chance they get! Patsy knows a handful of fun tricks, like the curbside mount, laying down, and pushing the ball. Patsy will win your heart with her sweet disposition and her charm. She is a once in a lifetime pony and we are so proud to offer her to another family. She is the kind of pony that will build so much confidence in your child and she's so broke she can go down any avenue they choose and be successful! Please call us with any questions or if you'd like to come test ride Patsy! Cheyenne [896-282-7093](tel:896-282-7093) or Levi at [785-531-2353](tel:785-531-2353)
