Description

FANCYS SILVER PISTOL

FANCYS SILVER PISTOL aka Pistol is truly one of the coolest and most talented geldings we have had the pleasure of offering for sale. This majestic 6 year old gelding stands right at 15 hands of pure perfection. Pistol is a tried and true ranch horse deluxe with all the buttons and athletic ability to back it. We have used him extensively in absolutely every aspect of the ranch work from branding, sorting, doctoring and is my pick for the ranch rodeos. He is full of talent and heart making him the favorite when a job needs to be done. Pistol has also been with a cutting trainer and is super expressive and feely on a cow. We have shown him in ranch riding, trail class and at all

the local cow horse shows. We have also been roping on Pistol in the arena! He is a very well rounded horse that you will fall in love with! He will cross water with ease and is never hesitate or skeptical about anything we put in front of him. He crosses bridges, draws and rocky terrain with caution and skill. Pistol has packed our 6 and 8 year old's through the palo dura canyons without a bobble or hiccup. With all the exposure and life experiences this horse has had in and out of the arena this phenomenal gelding has the potential to go far in any of the ranch riding classes or go on and finish him as a rope horse. Pistol has seen the commotion and sights of town, four-wheelers, tractors, flags, and whatever other scary situations that might come his way and nothing seems to get a rise out of this rockstar. Pistol sells 100 % and in every way. Give us a call with any questions or to schedule a test ride. [806-282-7093](tel:806-282-7093)
