SHEZA WHISKEY LADY

Undeniably, jaws drop as Libby rides by And she's even better on the inside....a babysitter and on complete auto pilot! We in all honesty would not change one thing about her. Not only drawn to her beauty but also her bloodlines, talent, and kindness she is THE TRIPLE CROWN plus more that everyone looks for in a high-caliber mare. Family versatile, she is adorable and so enjoyable to be around. Her personality and talent SETS HER APART. She is a stunning 2019 14'3 DAPPLED BUCKSKIN mare with an exceptional hip. The daughter of 2-million-dollar sire WHIZKEY N DIAMONDS, whose offspring have earned titles & checks in the Reining, Reined Cow Horse, and Roping.

BySHEZA RUFF COMMANDER (by LIL RUF PEPPY) her dam is an NRHA money earner and multiple champion producer. Libby is eligible for Riata Buckle Futurity and has her NRHA license. Libby has been there and done it- ranch riding, shown in reining to trail riding, even bareback and everything in between. She is our go-to horse in all disciplines and really stands out consistently on the trails. She is most recognized for her adaptable behavior to surprises or new situations. She always rides to the ability of the rider on her back and does not try to do more than they ask. She is trained to kneel and curbside to make mounting easy with the touch of a finger! Libby is an elegant mover, who is the smoothest, and has the most comfortable gaits. More than the average lady, Libby is an NRHA money earner and is non-pro-approved! Easy to operate, she is solid in all reining maneuvers, with smooth spins, nice lead change, a pretty circle, and a great stop. Libby would be a world contender in the ranch versatility classes. She has a captivating carriage and is a gorgeous mover with a pretty jog and extended trot. One of her greatest assets is that she is very smooth to ride at all gaits. Libby knows how to rate off your seat, will nail her transitions smoothly, and is great on the obstacle course. Undeniably one of the most graceful under English tack as well! Her natural athleticism and versatility easily cross over from the arena to the trails and loves to lend a helping hand on the ranch sorting cattle. Libby enjoys the simple things in life like spending time with her person on the trails, from the mountains of Montana to the deserts of Arizona. Ridden many of miles of backcountry trails on overnight and hunting trips. She has been exposed to big game, tents, hikers, packs of dogs, bicycles, drank out of a lake, been hobbled and picketed. Great up the hills and mountains, and careful going down them. Water, bridges and logs, and she will curbside to a rock to mount. She doesn't mind the city clicker lifestyle either, semi trucks, strollers, cars roaring past, Libby just minds her business and gets to town! She is as beautiful inside as she is outside, so sweet, loves to be groomed, clips easily, and a seasoned pro to haul. Whether you're looking for a show horse or just the prettiest trail/recreational horse out there, Libby will be a perfect addition to your family. We have roped on her a bit on both ends and the breakaway, she has ALOT of talent and is eligible for the \$2 Million in payouts at the Riata Buckle! Her balance of competitive ability, disposition, and breeding combined with her willingness to tolerate the greenest riders, makes her extremely special. She has been an easy horse to put through our program because she quickly picks everything up. If you're looking for that forever horse – you have just found her! She has passed all sales requirements. UTD on worming, dental, and farrier. Libby will be sold at Ride The Wave Premier Horse Sale, on March 29th & 30th in Ocala Florida.
