Description

SPOOKSICLE

If you have ever wanted a Black Beauty of your own, here is your chance! SPOOKSICLE, A.K.A. Olivia, is the epitome of bold and beautiful! At just over 14.2 hands, this sturdy black AQHA mare is gorgeous! She is both curious and confident. She is sired by the powerhouse stallion SG FROZEN ENTERPRIZE. While he boasts lifetime earnings over \$274,000, he has really begun to make a name for himself in the breeding barn. Iceman

has now sired NRHA offspring with earnings over 2.3 MILLION dollars! The bottom side of this mare's pedigree reads like the – Who's Who – of the reining and ranch horse industry. Olivia's mother, SPOOK WHIZ A SPARK, earned \$38,467 in NRHA competition and is sired by legendary \$7 million dollar sire, SMART SPOOK. Her grandmother, WHIZIN OFF SPARKS, is an earner of over \$112,000 and has produced nearly \$300,000 in money earning offspring. The great granddam, SETTING OFF SPARKS, has earnings over \$90,000 and has produced winners with an excess of \$678,000! Whether you choose to ride or breed this mare we are confident you will enjoy her for many years to come! Along with an excellent pedigree, Oliva has that heavy bone that so many of today's performance horses lack. She carries her neck nice and flat and reads your seat very well. You can pitch her away and ride her on a loose rein or you can bridle her up and put her right in your hand. She has been ridden extensively both inside and outside of the arena. She is confident with gunfire, whips, tarps, ropes, etc. She is sure-footed out on the trail and navigates handily through water, woods, and up and down steep terrain. She has nice quick stops, spins, and is an easy lead changer. As with all our horses, Olivia leads, ties, hobbles, lays down, clips, stands for the blacksmith and loads in a trailer with no fuss. If you are in the market for a nice mare, please feel to give Nick a call at [740-255-0715](tel:740-255-0715) to schedule a visit.
