Description

TOO SMOOTH TO B RUF

Timeless, classy, and perfectly put together – Rolex lives up to the legacy of his name. This is one of the most versatile horses you'll ever throw a leg over. He's been a family favorite since he arrived as a three year old and is up for anything. He's been successfully shown in the ranch horse classes, he's fabulous in the roping pen, and spent a lot of time outside trail riding. Rolex has the ability and temperament to be a top contender in the rope horse futurities and derbies and is eligible for the Royal Crown Roping's. Rolex has always been in professional programs so he's very user friendly and uncomplicated to ride. Rolex has a confident air about him when trying

new things. His easy-going temperament makes him an enjoyable partner for whatever the day brings. From his first horseshow, he's happily done all the obstacles in the ranch horse trail. Extremely athletic, all the reining maneuvers are easy for him. Lead changes are effortless. Rolex has very smooth gaits, and the easiest little jog that will take you down the trail in no time. He pays attention to where he puts his feet, enjoys water and will carefully navigate any sort of rough terrain. Rolex enjoys his time out on the trails, it doesn't matter if he's in a group or if you ride out alone. He's by the exceptionally talented NOT RUF AT ALL who had lifetime earnings of \$456,501, was a NRHA Triple Crown Winner, and is a NRHA Million Dollar Sire. Rolex stands user friendly 14.3 hands and weighs 1200 pounds. He's extremely stout with substantial bone and is built to last. Rolex enjoys being around people and will meet you at the gate for any kind of attention. He will quickly become your best friend with his easy-going personality. Rolex stays gentle. If you don't ride him every day, he will ride off quietly after enjoying a vacation. Always a pleasure to be around, his ground manners are the best – easy to shoe, bathe, and clip. He's been to barrel races, team roping's, horseshows, ridden in traffic – he's seen all kinds of craziness (and put up with the antics of teenage boys). New environments don't bother Rolex. He settles in quickly and quietly waits tied at the trailer. He is always a healthy eater and travels very well. Sound and sane, Rolex has been a joy to own. We would love the chance to introduce you to him. Please call [505-450-5519](tel:505-450-5519) to chat about him. We're confident that you'll love him as much as we do!
