Description

SAN DRIFTN FRENCHMAN

Tarzan Is one of the classiest and most beautiful geldings we have ever owned. Tarzan has been in our lives since he turned two years old. We have never owned a horse with a better mind than Tarzan he's so smart and willing and shows up and gives you his all every single ride! You will absolutely fall in love with his kind easy going personality, perfect manners, and beautiful way of moving! Tarzan is the all in one, total package!

He is solid for any type of ranch work, he's had some professional training and could go show in the ranch riding, ranch pleasure or trail classes. He would also finish out as a very competitive rope horse if you wanted to go that route. Tarzan is as gentle and talented as he is pretty. Tarzan has been all kinds of rough terrain and always handles it like a complete gentleman, from rocky footing, to thick brush, even deep water or heavy traffic, he will absolutely handle himself perfectly and take the best care of his rider! He is suitable for ANY age or level rider. That's right – from the absolute stone cold beginners on up to the seasoned horseman – you will appreciate everything about Tarzan! Tarzan handles time off extremely well, he will not ever get fresh or silly no matter how long you leave him off. He holds his frame on a long draping rein and has easy spins both directions. Tarzans stride is smooth and strong, he has a good lead departure and lopes around effortlessly. This one of a kind gelding has a stop like a little bitty 14 hand horse. He's smart with his feet and can maneuver around with style! We have sorted plenty of calves on Tarzan and he works well, he's naturally cowy and tries his heart out for you. This horse is truly a very special one to our family. We believe he has a bright future in any discipline you choose.
