Description

SS TITANIUM

Remember The Titans! SS TITANIUM, A.K.A. Titan, is a horse that you won't soon forget! This big boned, beautiful, gentle gelding checks all the boxes for versatility! His sire SG FROZEN ENTERPRIZE has earnings over \$274,000 and has produced money earners of over 2.3 MILLION dollars!! His mother is by the legendary broodmare sire SHINING SPARK, no introduction needed! His maternal grand dam, the great roping horse BAR J JACKIE, was shown by J.D. Yates! Titan has proven himself both in and outside of the arena. With his graceful movement and quiet demeanor, he excels in AQHA ranch riding and ranch rail. This past season Titan was hauled and seasoned for both AQHA and jackpot classes. Nick and Titan achieved their personal best ranch riding score of 81.5 in September! More recently, Titan was a 4-time finalist at the

2023 All American Quarter Horse Congress, competing in both Open and Amateur divisions! In 2023 Titan garnered 21 AQHA performance points. He was awarded his performance ROM (register of merit) and has already qualified for the 2024 AQHA world show in Junior Ranch Riding and Junior Ranch Riding level 2! Titan has his whole 5-year-old show season ahead of him he is ready to make a big splash in 2024! We would love to keep this horse in our 2024 show string if his new owner so desires! If horse showing isn't your thing, Titan still has plenty to offer! He is a solid 15.2 hands and wears a size 1 shoe! He is built to work, or play, all day long! We have used him to push colts, pony horses, and have trail ridden him extensively in all types of terrain. Titan is more of a push type horse but is a big mover! He has a soft collected trot, an amazing extended trot, and a rhythmic rocking chair lope! He will happily side pass to a mounting block or lay down for mounting. Titan can open and close gates, cross water, logs, bridges etc. He is good with traffic, whether it be motorized vehicles, equestrian, or pedestrian. He readily accepts gun fire, whips, tarps, and can handle a rope. He simply loves having a job! He gets along well with other horses. By March we will have had him just shy of 21 months and he has been extremely sound and is an easy keeper. Please feel free to contact us for more information or to schedule a visit at the farm in Salesville, Ohio! Nick's cell [740-255-0715](tel:740-255-0715).
