Description

BUCKY BOON TULE

Boon is a 15hh, beautiful, Black Gelding. Complete with plenty of bone, good hoof, and big, soft brown eyes! Horses like him only come around ONCE IN A BLU BOON! His sire, ONCE IN A BLU BOON by PEPTOBOONSAL and out of AUTUMN BOON (#5 All Time Leading Dam and producer of earners of over \$1,500,000), speaks for himself with \$318,000 LTE and the accolades to match. Boon sure lives up to his pedigree with his natural ability, great mind, and athleticism. He has been shown in 4H and is safe for the kids, novice, and beginners. He is the same horse every time you swing a leg over him and is going to be gentle every day of the week. He is the type that can take time off with no trouble. Boon has been used on the ranch gathering cattle, checking the mares and foals, been roped and doctored off of, and LOVES to trail ride - no matter how tough the terrain. He is uncomplicated to ride with smooth transitions, snappy

turnarounds and a big stop! Whether you are 8 or 80, he has the stuff to take you wherever you need to go and do it in style!

We invite you to come try out Boon at our ranch in Iowa or schedule an appointment to view him before the sale! FMI call Jared at (563)-543-6355.
