MAGNUM CHARMER

His name says it all - meet Charmer! He is just that! He's a Charmer and will have you falling in love with him before you know what happened! A talented individual that's finished and proven. He does it all and has the best personality in the barn! This stunningly built 2018 AQHA Gelding, standing at 15 hands tall and weighing at 1,100lbs, stands out in a crowd and makes you proud. He might not be the coolest colored horse in the crowd but wait until you see him ride and see his conformation and then meet him and see his personality - then he stands out in a crowd for who he is! Charmer is an extremely fancy mover and has so much style and talent. When we say this guy has done it all - he's done it all! From Trail Riding to Ranch Riding to being in a spotlight in front of thousands of people showing off his talent, to out on the

ranch gathering cattle, to being used as a lesson horse and one of our main Clinic demo horses - he's literally done it all! Fun fact: he's done 3 nights of evening show doing a Freestyle Reining pattern under a spotlight and in front of thousands of people and was never under a spotlight before in his life and he did it without blinking an eye - acting like he's done it a million times! Charmer has been exposed and put through so many tests while going through our program and just continues to pass each one we throw at him with flying colors. Charmers great personality, training and talent, plus the movement and pedigree are what sets him apart from the rest. He himself is an own son of MAGNUM CHIC DREAM and out of a GUNNERS SPECIAL NITE mare. So top and bottom of his pedigree literally can't get any better! MAGNUM CHIC DREAM is an NRHA Hall of Fame Horse and has produced over 11 million in offspring like Charmer. Charmer is up to date on everything and has current X rays available. This guy has been a true joy to take and have in our program and we are so excited to offer him to you at the 2024 Best of Texas Premier Horse Sale in Fort Worth at Will Rogers memorial.
