Description

EBC MILO A MINUTE

EBC MILO A MINUTE is dual registered in the AQHA and the FQHA. This gorgeous gelding is sired by ONCE IN A BLU BOON the 8-million-dollar sire! Plus, he is out of an own daughter of DUAL PEP who is a producer of over 11K and is out of the phenomenal mare, STYLISH FOXIE, who herself has an NCHA LTE of over \$300K. Milo is an all-around gelding that is perfect for so many different events. Mouth watering doesn't even begin to touch it this horse has a presence like no other, shape and bone like nothing we've ever seen, a larger than life personality and a heart and a work ethic bigger than Texas. This horse has been the us several years and we've enjoyed every day of it. He never disappoints and he is truly one you can be proud of. Milo is currently

being shown in the cow horse by a youth rider. He is easy to show and honest as they come. He has powerful and beautiful circles big stops and spins with a style that's all his own. Milo has an smooth lead departure, topped with natural collection and elegant way of moving. Milo easily guides around and is light and soft as a feather. Milo has also been steer stopped on and would show well in the versatility. This horse is a true athlete, a beautiful mover with a quiet demeanor, does any task with ease and willingness. The best part is rarely is there a horse this talented that is as gentle and kind as he is. He is the most user friendly, easy, no non sense horse! Milo is also a top notch head horse. As solid as they come, rates well, quiet in the box and has a big fancy move and a smooth snappy face. That's not all we have also ranched heavily on Milo. He has been hauled everywhere to gather sort and ship on. He has been to all the brandings and is good to go doctor on as well. Outside Milo is a solid citizen, he's one we've even let our children use to gather on and ride outside. I'd trust this horse with my life he's so smart about things he just won't let you get into a bind. If just a nice joy ride is more your cup a tea he can check that box too. Milo will cross any kind of obstacle you point him over with ease and confidence. He rides off alone or in a group whatever you ask of him and at the end of the day when you put him up he still wants to be your friend and that next morning he will be the first horse at the gate to go do it again I guarantee it. You can leave Milo off for ANY amount of time and start right back where you left off, he will never get fresh. He is truly a horse anyone in the world can ride and appreciate. His personality is something we have only dreamed about, extremely sweet and kind, but mannerly and respectful as well. A true gentleman in every way. Milo is as much fun to ride as he is to have around. There is nothing you cannot do on this horse he is truly an incredible individual, if you cannot tell we are pretty partial to him and would love to visit with you about him. Please call Cheyenne 806-282-7093 or Levi 785-531-2353 if you have any questions.
