Description

JUNIOR

Junior is an 8 year old gelding with a beautiful mane and tail. He has an easy-going disposition and heart for the job. This Haflinger stands 14.1 and weighs 1060 pounds. We purchased him at age 6 as a project for our then 13 year old son, Ace. Ace has done all of the riding on him. Junior has roped many calves in the wheat pasture. He is stout, well built and honest. Junior pulls well from the horn and has been a good horse for our family. He moves through cattle quietly. He has a smooth lope and plenty of stamina for a hard day's work. This classy looking Haflinger has done everything asked of him. Because he is easy to get along with, everyday ranch work is easy with Junior. Junior loads and hauls well. He is easy to shoe and catch. We know Junior has many years of ranch work ahead of him. For more information, please call Ace Rickard: 940-781-5768
