**Description**

MISS HIRED GUN

MISS HIRED GUN; a 2020 Mare by HIRED GUN (LTE \$34,680) and out of SUE DYNASTY (LTE \$939.60) by HIGH BROW CAT (LTE \$110, 800). Miss Kitty is a stout, fun size of 14 hands tall. She affectionately earned the title of Miss Kitty at our place being blessed with one of the most unique color schemes and naturally curly mane that is certain to make her stand out in any crowd. If you are asking yourself what color she is, accompanied with her silvery mane and tail, you are not alone. Miss Kitty is registered as Gray AQHA #6017697. Her personality is as unique and fun as her hair color. Laid

back, very personable and willing to please is just a couple of many qualities to complete the package. If we had to describe her in one word, it would be forgiving. Miss Kitty's talents and capabilities offers so many directions. Remember forgiving is one of her greatest attributes. She is extremely easy to ride with all the necessities, forward, reverse, left, right and stop. Putting all of these in motion she picks up her leads, changes leads, spins, smooth transitions, roll backs and sliding stops. Take her from the ranch or trails to town where she has been shown lightly in open and non pro ranch classes with an affiliate of the American Ranch Horse Association earning points in multiple events. We have used her for everything from ranch duties sorting, gathering and doctoring to trail rides. Her cow sense makes her a blast to rope the sled and has been a breeze to start on live cattle. Miss Kitty has spent time with NFR qualifier and trainer Caddo Lewallen getting that start. She has so many accolades it is very difficult to mention them all. Keep in mind, you get all of this in a young beautiful package. Miss Kitty has an incredible family tree, filled with AQHA, NCHA, and NRCHA leading sires as well as multiple money earners and AQHA/NCHA Hall of Famers. It is no surprise she possesses the natural instincts and talents she does from the who's who of the western equine industry. She is eligible to be paid up for the Riata Buckle roping's. We would enjoy and encourage anyone with an interest to please contact us or best, plan a trip to south east Kansas to see her in person. Her personality and presence will make you pet her every time. For questions or an appointment contact Roger and Kris Daniels (620) 515-4175.
