**Description**

**GENUINE RISKY SLIDE**

Ever wanted to be a cowboy and ride off into the sunset? Mickey is the perfect partner! He's cowboy colored smutty buckskin with a charming quarter horse build topped off with a baby doll head. His easy-going personality shines right through his big kind eye. Fancy broke and user friendly, Mickey is ready for whatever you want to do horseback. Standing a versatile 14.3 hands, and weighing in at 1200 lbs, Mickey is ready to be your new best friend. His easy-going demeanor makes him enjoyable to ride to do any chore or simply take for a pleasure ride. Uncomplicated, Mickey has been enjoyed by a variety of riders. At 10 years old, Mickey is pleasantly mature enough to be unbothered by new things and always stays trained even with time off. You won't ever have to worry about anything with this kindhearted gentleman, climb on (with a saddle

or bareback), and go! Mickey has simple transitions, lopes collected circles, and naturally has an attractive headset. His sensible temperament makes him the perfect partner to gather cows out of the pasture, and he's easy to sort on. An experienced rope horse, Mickey is handy enough for a professional to appreciate and kind enough for a novice to learn on. He's been to many jackpots and taken multiple ropers to the pay window in the team roping and breakaway. Mickey was bred to be cowy and athletic, he comes from the line of GENUINE DOC – who has had a strong influence on today's AQHA cutters and cowhorses. GENUINE DOC O LENA, Mickey's grandsire was a proven winner both in the Tie-Down Roping and Heeling in the AQHA. Mickey pays attention to rougher terrain, he'll surefootedly pick his way up and down rocky mountains. He'll open gates, march through water and enjoys checking out new scenery. Mickey loves attention, he has impeccable ground manners. He's good to clip, bathe, shoe – an easy going soul, Mickey makes friends everywhere he goes. We have thoroughly enjoyed the privilege of having Mickey in our barn and would love the opportunity to introduce you to him. Please call Estevan Castillo at 505-450-5519 anytime to chat about Mickey or set up an appointment to come meet him.
