Description

SHINE WIMP SHINE

Lazy KT Performance Horses is proud to present SHINE WIMP SHINE; an eye catching, multifaceted, and talented coming five year old gelding. Shrimp is an old soul and has the kindest disposition, making him a special mount for any rider, young or old. Shrimp has spent his whole life under the guidance of some of the industry's best horsemen. He was raised, trained, and shown by the 2023 NRHA Open Futurity champion, Brian Bell, in his elite reining program. Shrimp earned \$6,300 in the reining futurities, including several reserve finishes in NRHA Level 4 Open competitions. Shrimp perfectly executes massive sliding stops, fancy spins, and flawless lead changes. He is a beautiful mover with smooth gaits and is as broke as they come. Shrimp transitioned

over to the world of team roping with ease under the guidance of World Champion rope horse trainer, Gabriel Salgado. Shrimp is a trained rope horse in the heading, heeling, and breakaway roping, and is already a money earner in the team roping pen. Shrimp is a great mount for the whole family, he has been entered in the #7s all the way up to the #14s and the Open ARHFA futurities. He is great in the box and incredibly honest. Shrimp has two more years of eligibility in the team roping futurities, and his current trainer, Gabriel, would love to keep him in his world class program; a great testament to Shrimp's abilities and overall demeanor. Outside of the performance arenas, Shrimp also understands the meaning of a long day's work. He has been used extensively on our ranch and is patient and dependable all day long. He has been my mount to gather hundreds of mares off pasture, as well as roping wild mares to tame and halter break; a job for only the finest of ranch horses. Shrimp smoothly covers ground on a relaxed rein, he crosses over any terrain, doesn't fear traffic or commotion, and travels out alone or in a group. He crosses water and even enjoys swimming in the waves of the Pacific Ocean. He is the first pick for any job big or small. Shrimp has been enjoyed by everyone who has had the pleasure of working with him. He is sound of mind and body, with no vices or bad habits. He stands at 14.3hh with substantial hoof and bone to support longevity. He is great to haul, load, unload, trim, clip, bathe, tie, and is always easy to catch even when turned out on big pastures. It is no surprise that Shrimp has shown such success in the performance arenas, being a son of SHINE CHIC SHINE, who won \$148,714 in his career and has produced winners of nearly \$3,000,000 to date. Shrimp's dam is by reining legend, WIMPYS LITTLE STEP. WIMPYS LITTLE CUSTOM has produced several money earners, and is the maternal half sister to earners of nearly half a million dollars.
