Description

CHEESECAKE

Got a sweet tooth? Sounds like you need a little Cheesecake! Cheesecake is a weanling Miniature Leopard Appaloosa Filly. She is correct in every way and built like a tank. She should mature to right around 35" tall. Cheesecake has been handled since day one. She is friendly, gentle and so sweet to be around. This little filly whinnies when she sees you and comes RUNNING! She loves a good neck/back scratch, Cheesecake will stand quietly all day to be groomed. You will not find a more loving mini! Given the chance, Cheesecake would happily follow you into the house. She soaks up attention and follows you around like a little puppy dog. Cheesecake has fantastic feet, she is happy to pick them up for you and is good to trim. Leads, loads and ties like a well mannered baby should. We have no doubt that this filly will make a FANTASTIC cart or riding pony- she has the ideal demeanor to go into therapy training. The options are endless for Cheesecake! You'll regret not bringing this sweet girl home- she is ready to be your kids new best friend! (417)-772-4142
