Description

JIP

Jip is a super quiet and gentle pony that rides around handy. He's got that perfectly stout build with tons of color and hard to find size. Well broke to ride and drive. Lopes nice circles, takes both leads and will go anywhere you point him. Will lay down and is easy to shoe, load and clip. Drives as good as he rides. Jip has been to many high alpine lakes in the Colorado Rockies, he loves a good challenge going up and down steep terrain and is very sure footed all while taking the best care of his rider. He's been in parades and is traffic safe. Rides bareback and rides out alone or will ride anywhere in the pack. Jip spends most of his days on the ranch checking water gates, riding fence lines and most of all babysitting the kids, he is always the go-to ride when friends come over and always makes sure to take care of whoever is around or on his back. Jip is an all-in-one package kind of pony. (719)-371-0248
