Description

Meet Tango, a 2020 AQHA gelding standing 15HH and weighing 1,150 lbs. Tango, AKA ICE LIL COOKIE, is sired by the great SG FROZEN ENTERPRISE (NRHA \$3 Million Sire) and out of LIL DREAMER (by MAGNUM CHIC DREAM), giving him an exceptional pedigree built for performance and versatility. Tango is a stunning red dun gelding with a sweet, loving personality and a solid foundation. He's been in a professional program since he was a baby and has been part of our program for over a year, where he's proven himself as a smooth, easy-going, and willing partner, passing all of our Diamond K tests. This gelding is the ultimate all-around horse. He's been hauled all over the country, exposed to a wide variety of environments, and handles it all with confidence and ease. Tango excels both in and out of the arena—whether on trails, the ranch, or at shows. He's ideal for ranch riding, reining, cow work classes, ranch roping, or recreational riding, making him a great match for riders of all levels. Tango is a

dream to handle and work with—great to clip, bathe, shoe, load, and tie, with no vices or bad habits. His smooth gaits and laid-back demeanor make him as enjoyable to ride as he is to be around. Sound and ready to excel, Tango is the perfect addition to any program, whether you're looking for a performance horse, a reliable ranch partner, or a trustworthy trail companion.
