**Description**

Meet Axle, AKA MIDNIGHT INFERNO, a 2017 AQHA gelding standing 14.3HH and weighing 1,150 lbs. Axle is sired by INFERNO SIXTY SIX—the youngest \$4 Million Sire, known for producing top-tier performance horses, including the most recent NRHA Level 4 Futurity Champion. Axle is a stunning black gelding with an impeccable record of versatility and reliability. He's the ultimate "been there, done that" horse—hailed all over the country and thriving in every environment. Over the past year, he's been an integral part of our program, excelling both as a working ranch horse and a

competitive show horse. On the ranch, Axle has roped and doctored countless cattle in open pastures and confidently navigated rivers, mud, hills, and woods. In the show pen, he's a proven Reiner, boasting \$5,500 in earnings and flawlessly performing all maneuvers with ease. He's also been used as a clinic demo horse, including at the Massachusetts Equine Affair, where he handled large crowds and new environments with a calm, dependable demeanor. Axle is the kind of horse you can saddle up at a new place, go have fun, and never worry. He doesn't get fresh or anxious with time off and stays consistent day in and day out. He's easy to shoe, clip, bathe, load, haul, and handle, with no nonsense or bad habits—just an honest, solid, and beautiful gelding. With a lifetime of exceptional programs behind him, Axle is ready for his next partner. Whether you're looking for a reliable ranch horse, a competitive show horse, or a trustworthy companion, Axle is the total package. For more information, contact Kevin at (330) 231-2311!
