**Phone** (435)-730-5226

**Location** OK

**Color** SORREL

**Description**

Tinker is one of those hard to find solid All-Around Geldings! He has all the talent and buttons one could ask for all wrapped up into one gorgeous 14.3h package! Tinker catches everyone's eyes whether he's stepping into the show ring or walking in the parking lot and is Double Registered with AQHA & APHA. Shown by Samantha Robbins, he made the Top 10 in the Nation in the 2024 NRCHA Limited Open Bridle and the 2024 NRCHA Northwest Regional LOB Champion. He is a multiple NRHCA World Show Qualifier. Not only is he a top notch Cow Horse and finished Reiner but he is also solid in Team Roping and ropes both ends. Tinker also shines in the Breakaway arena and will drag his booty! He will stand quiet in the box and scores great. In addition, he has been started in Tie Down, used at Brandings, flagged roping's, gathered cattle and has been used as a Youth Lesson horse and was 3rd in the Idaho RCHA Youth Futurity. He has also competed in the Worlds Greatest Horsewoman and the Weststar Pro Am (Heeling). Tinker will also cross water and bridges and has an outstanding personality to boot. He has quite an elegant show presence about him with his baby doll head and nice big round hip. Tinker can plus his stops and turn

around with ease. A Money earner in Team Roping, Breakaway and NRCHA shows how universal he really is. Out of 18 NRCHA shows in 2024, he picked up 16 checks. This fancy-elite gelding has never disappointed us and will be an asset to anyone. He stands for the shoer, loads with ease, hauls great in the trailer, and is very gentle. This kind of gelding doesn't come around too often. He's one you'll fall in love with. At the perfect age of 8 years old he is sound and ready to go. Please feel free to call and we'd be happy to answer any questions you may have about Tinker. 435-730-5226
