Description

Introducing Savannah—a breathtaking blue roan mare who's every rancher's dream and an undeniable showstopper. With her blend of hard-earned ranch skills, smooth arena moves, and irresistible charm, she is the kind of horse you don't find every day. Savannah embodies the best of both worlds: a rock-solid ranch horse and a dependable arena partner. Her calm, steady nature makes her a pleasure to ride on the trails, where you can relax and enjoy the day with complete confidence. On the ranch, she's a seasoned pro—roping and doctoring yearlings in the pasture, dragging calves at brandings, and sorting cattle with sharp cow sense and finesse. Savannah is a joy to ride. Broke and seasoned, she's soft in the bridle and carries herself with the natural balance of a reiner. Her quick easy spin, stop-on-a-dime responsiveness, and smooth, effortless gaits make her suitable for riders of all levels. Whether you're a seasoned hand or someone whose ranching knowledge starts and ends with watching Yellowstone, Savannah will have you riding like a pro. Reliable as they come, Savannah doesn't require daily riding to stay gentle. She's perfectly content to take time off when life gets busy, and when you're ready to saddle up again, she'll be the same kindhearted, trustworthy partner you left behind—ready to pick up right where you left off. Bred and raised on the esteemed Phillips Ranch in Elwood, Nebraska, Savannah boasts a pedigree as impressive as her skills. She's a granddaughter of the legendary IM COUNTIN CHECKS, whose offspring have earned over \$6.5 million in the show pen, and she carries the iconic bloodlines of PEPTOBOONSMAL —names that are synonymous with ability, disposition, and lasting legacy. Standing 15 hands and weighing 1,250 lbs., Savannah is built to last. She's as wide as she is tall, with substantial bone structure and strong black hooves. Ranch-tough, sound, and beautiful, she's ready to be your partner for a lifetime. Since leaving the Phillips Ranch as a weanling, Savannah has had just two owners. She's the kind of mare everyone falls for, and we'd love to show you why. Call Estevan at (505) 450-5519 for more information or to come meet her. Savannah is a once-in-a-lifetime kind of horse, and she's ready to meet her next partner.
