**Description**

Meet Finn Watson, an 8-year-old, 15.1-hand Tobiano Gypsy Vanner gelding who is as stunning as he is versatile. With his long, flowing mane and tail, Finn turns heads wherever he goes. He has proven himself in our program, passing every test with excellence, and is the definition of a been there, done that horse. Finn rides Western, English, and bareback, and you can even ride him bridle less. His repertoire of tricks includes the Spanish walk, laying down, sitting up, and standing on a pedestal. He is also desensitized to gunshots, whips, tarps, and jugs, making him a dependable and trustworthy partner in any situation. Finn is traffic safe and sound, having been ridden on state routes, through creeks, on countless trail rides, and even around cattle. He is easy to catch in the pasture, gets along well with other horses, and has a sweet, attention-loving personality that makes him a barn favorite. Finn is not just a horse; he is a true companion who wants to be your friend and share in every adventure. With three exceptionally smooth gaits, Finn is comfortable enough for all-day rides and does not require a steady riding program to maintain his reliability. He is good in the wash bay, stands patiently for the farrier, and drives beautifully, adding even more versatility to his skill set. Finn wears shoes on all four feet due to the terrain where he is ridden, and he is ready to take on any adventure with confidence and style. Whether you are looking for a showstopper or a steady trail partner, Finn Watson is the perfect choice. If this sounds like the horse that you have been looking for, please feel free to call Duane @ 330-231-2324 for more information or to schedule a day to meet him in person.
