Description

Penny is an 9 year old peach dun molly mule. She stands 14.2 hands and sure enough a head turner. There is no question with her big bone and stout frame she will make it to the top of the mountain with ease. If you are looking for a super safe family mule, then look no further. Penny will take care of the beginner/novice rider and is an equal handy tool for the experienced. She has so much training under her belt, she moves off leg pressure, lays down on command, lopes both ways, easy one hand neck rein, crosses anything that you ask her to and very independent. Penny will lead the ride or will ride in the back of the pack. She has absolutely proven herself time and time again to be as bomb proof as you can get under one mule hide. Penny has been used extensively on the trails, packs, and is a seasoned ranch mule. She is easy to clip, bathe, load and unload, stands tied and is great with the farrier as well as the vet. Penny has been in parades and is sure enough safe in heavy traffic. Please contact Jason Griffin at 573-225-7144 if you have any more questions.
