**Description**

Betty is a rare find. Started by Shane Vaughn. She is out of Jake Clark's best Jack. She is safe and bombproof for beginners, and fun and athletic for experienced riders. She's a smooth mover, has an incredible handle and will go anywhere you point her. She has drug calves at the brandings, trail rode hundreds and hundreds of miles, been camped on, team roped on, and ridden by youth during lessons. We trust Betty with any level rider! Betty is soft in the bridle, and lopes awesome circles. She loves getting groomed, clipped and bathed, and is the best to shoe. You can literally catch her in the field, jump on her bareback, and ride her to the barn or anywhere else in just a halter. She is exactly 15 hands and is stout made. She is an easy keeper and there is none prettier. Betty is a quality mule that anyone should be proud to own. Currently being rode and shown by Nathan Coffelt. 417-844-0336
