**Description**

Penny is a beautiful gaited red sorrel molly. She is 12 yrs old and stands 15 hands. We have owned her since March of 2024, before that we have known and rode with her for 6 yrs. Penny is exceptionally sweet and affectionate toward people. She has great barn manners and gets along well with others out in the pasture. She is the type that will catch you out in the pasture. Penny is easy to groom, saddle, bridle, and stands still to mount. She has had a lot experience out on trails and many miles in the mountains of Virginia. She has a nice running walk if someone is looking to cover a lot of country smoothly and wants to stay safe. Penny knows where to put her feet in rough terrain, she crosses creeks, logs, bridges, goes up and down hills with ease. We have ridden her out on the busy roads where we live and traffic doesn't bother her. We have also spent a lot time in the arena. She has 4 nice gaits- walk, running walk with loose reins or collected, trot, and a canter. Penny knows how to side pass, spin, and knows her leads. She loads, hauls, and backs off a trailer great. She is good for the vet, farrier, stands

quietly for bathing, clippers, and fly spray. If you are looking for a safe, gentle mule that you can ride all week and cover a lot of country smoothly, Penny is the one for you. She has no bad habits. Give us a call, we will gladly answer any questions or schedule an appointment to see her in person at our barn. 330-439-3285
