Description

Steele is a beautiful 8 year old iron gray john mule that stands 15.3 hands. Steele is sired by Tyler, who is by an own son of the notorious Texas Scooter and he is out of an AQHA Cow/Pleasure bred mare on the bottom side. He has the color, quiet disposition and kindness that you will wear a truck out trying to find. With Steele's prestigious pedigree he is a very smooth mover and has the athletic ability for any job in or out of the arena. Steele will meet you at the gate every morning and is always ready to go.

Here is a mule that has the mindset and ability to do it all. We have ridden him through town, in parades, down busy highways, crosses bridges, rivers, boggy mud, and the roughest of terrains. He is a very independent and sure footed mule. Steele is definitely a point and go mule with a very good handle. He has a one hand neck rein, side passes, slide stop, and will take both leads. Steele will climb steep mountain sides at the speed you desire and patiently take you down the other side. He has spent many hours around dogs and cattle, and has been used for every aspect of ranch work. On the ranch we use him to check, sort, pen, gather, and doctor cattle. He has packed supplies on the mountain and packed meat off the mountain. For an added bonus he will work single or double and has pulled a wagon many miles. The way he moves and with his color and looks Steele would make a great show mule. Steele is easy to clip, bathe, easy to handle loading and unloading from the trailer, stands to mount, moves over to a mounting block, stands for the farrier as well as the vet. He is UTD on all vaccinations, teeth and deworming. Steele has seen a lot for an 8 Year old mule and has his whole life still ahead of him. He will make a great addition to anyone's family or program. (573)-225-7144
