Description

ATTENTION: ROBERT BROKE HIS LEG A FEW DAYS AGO BREAKING A YOUNG COLT. THEREFORE, THIS MULE IS NOT IN TROPIC UTAH BUT WILL STILL SELL IN THE SALE. TRANSPORTATION CAN STILL BE ARRANGED THROUGH OUR TRANSPORTER BUT SHIPPED FROM OHIO. We are proud to introduce to you this friendly gal that is named Nacho. She is an 8 year old molly mule that stands right at 15 hands tall. Nacho is safe for any level of rider on the trails or in the arena. Nacho is the kind of mule that will walk up to you in the field and wait for you to scratch her beautiful long ears. She has good solid bone and feet under her and is put together to stay sound for a long long time. Nacho has been on many trail rides in the state parks and through many rough country and takes good care of her rider. She goes up and down steep hills with ease, crosses logs, water, and mud without hesitation, and goes through any obstacles with confidence. Nacho has been ridden on the road, she is safe in heavy traffic and there is not a truck big enough to scare her. She has also spent a lot of time in the arena. She has a nice walk, a nice smooth slow jog, and lopes on both leads. She has been tied to a high line on over night camping trips and does well. Not only is Nacho a fun mule to

ride, she is also a great friend in the barn, she likes to be loved on and is always glad to see you. She has been turned out in the pasture with other horses and mules and gets along good with the others. She stands good for the farrier. Nacho has been with the same owner her whole life, before we had her, and has always been well cared for. Nacho is up to date on all her vaccination, deworming, dental care, and farrier. If you are looking for a life long partner Nacho would be happy to be your partner. If you have any questions or would like more information about Nacho please feel free to contact Robert with Leading Rein Horses and Mules @ 740-291-7650
