Description

Sweety is a 12 year old well built molly mare mule. She stands 14.2 HH and stocky. Sweety is out of a Mammoth Jack and a well bred(Driften Sandwood)Quarter Horse Mare. Sweety is easy to catch and loves to be scratched. She stands quietly to be saddled and mounted. She is great with clippers and for the farrier. Sweety will load in any trailer and hauls quietly down the road. Sweety will side pass both directions, lopes off collected and knows her lead changes. She has been used for trail riding all over in Montana. She leads a pack string down the trail or throw her in the pack string and pack your elk meat out. Sweety is good with moving cows and has been used for checking calves. She is a pleasure to be around and is absolute dream mule. If your wanting a solid safe trail mule for the rugged hills check out Sweety. Please feel free to give Mike a call with any questions (406) 596-2645 or set up a time to come up and take her for a spin.
