Description

Tin Star is a good-looking, well-built steel gray seven-year-old 14.3 hand john mule. He loves people and attention. He can really travel and has a super smooth walk that's very comfortable to ride. Tin Star stands to get off and on and rides to the ability of the rider. He's a smart mule with personality. He has four hard black feet and is easy to shoe or trim. No kick with this fellow! He is good with dogs and other livestock and just finds his place with them. Tin Star is willing to go where you point him, through creeks, over logs, and up the mountain. He is traffic safe. He is hobble broke and patient. Tin Star is a very good pack mule as well, and will keep up anywhere in the string. He has a good neck rein, stop, and back. He is very easy to bridle and likes his ears rubbed. Tin Star will lope a nice circle, and is soft in his sides. Catch him anywhere and jump him in a trailer. We have also ridden him bareback with just a halter. He will ride alone or in company. He is responsive and kind. Tin Star is chock full of sweet disposition willing to please. Everyone in the family will enjoy him. 100% Sound with no blemishes. Current on vaccinations, wormer, farrier, and Coggins. For more info contact Scott or Sandy
