**Description**

She is finer than a frog hair split four ways... Petersen Mule Company would like to introduce you to Murphy. A 9-year-old, Red Bay Molly, standing just a hair under fourteen hands. Named for Murphy's Law where "anything that can go wrong will go wrong." This is the mule you want to be riding when everything else goes wrong. Tarps, bouncy balls, traffic, snakes, dogs, rocks, trees, parades, wild animals, random plastic bags or mud puddles, it does not bother her. She is confident and sturdy, kind and willing. Leads, loads, clips, shoes, saddles and bridles like a dream. She is tolerant and forgiving to any level of rider. She has great conformation, easy to fit a saddle to and ready to be your next adventure partner. "Murph" really enjoys people over the company of the herd. She is near the top of the pecking order and is the same gentle girl to ride even with time off. Outside of trail riding and obstacles Murphy has taken to arena work and has a nice walk, trot, lope, stop, neck rein, side pass and backs beautifully. She takes her leads while riding soft and collected. Murphy also knows all the cool mule tricks like side passing to a mounting block and laying down on cue. She is the kind of mule we all like to ride and have around for friends and family to ride

too! All Petersen Mule Company auction mules are sold with the option of a free clinic at our facility to ensure a smooth transition to the new owner. All Petersen Mule Company mules have been desensitized to dogs, hikers, 4 wheelers, crowds, bullwhips, tarps and flags. For any questions or to schedule a test ride please call or text Nellie 406-560-6301 or Shawn 208-221-5544.
