Description

Rawhides Rambler is a two year old sorrel john that has class, confirmation and moves with grace and smooth strides. Rambler has become a barn favorite with his kind relaxed demeanor. Is easy to catch and halter. Stands to be bathed, clipped and stands for farrier. He has been desensitized with the ball, flags, tarps, blower and many other sounds. I look for him to reach the 15 hand range while maintaining his great confirmation . He is definitely a head turner in any crowd with his baby doll head. Rambler is ready for his new home and will be ready to start under saddle in a short time. He has the ability to become a working ranch mule or go any direction you wish to take him. Rambler is out of our sorrel quarter mare with a flaxen tail and mane that has a quiet, calm, eager disposition. The sire is Scooters Rawhide a grandson of our

late Texas Scooter. Rambler is a result of over fifty years of raising quality mules and jack stock. Don't miss out on this quality john colt. Also being offered is Rawhides Rosie a sorrel molly which is a full sibling. Contact Peterson's Quality Mules for more information @ 660-956-2961.
