Description

Fionna is a pretty 6 year old, 14 HH molly mule. She is by a large standard Jack and a well bred Peppy Sand Badger Quarter Horse Mare. She is well suited for a kids mule or a medium adult. She is extremely sweet and loves attention and has a very willing temperament. She has the patience to tolerate little children or beginners. She walks out nicely down a trail and is a brave mule who is not easily spooked. She has excelled on the trail course and has been used to trail cows. Fiona loves people and is always wanting to be caught. She loves a good ear scratch and is easy to saddle, bridle and halter. She will wait patiently to adjust her tack for the small riders. She loads in any trailer, easy to clip, vaccinate, deworm and is great with her feet. Fiona has great manners on the ground and knows all the basics, she can back, side pass both ways and has a nice turn around. She has been ridden by a 12 year old boy in the rough country in Montana. Fiona was started by Trent Price and Trent has continued with her. Over the last year Fiona has proven to be safe and reliable. She has carried Trent hundreds

of miles from mountain trails, arena riding and taking a stroll through town. Trent would like to thank Chrome in the Canyon for providing him another opportunity to offer this fine mule. Trent would love to show you his mule at his family's ranch in Whitehall Montana before mule days and she will be available for test rides during Bryce Canyon Mule Days the week before the sale. For more information contact Mike Price at 406-596-2645 and he will connect you with Trent.
