Description

Turner is the kindest, most versatile horse you'll find. Born in 2020, he's a big, stout gelding standing 15.3 hands and weighing 1,300 lbs, wrapped in a stunning strawberry roan coat. He's got the fun-loving personality of a puppy dog and has been raised and handled by the same family his entire life before coming to us, he's always been in the best of programs and exposed to kids, cattle, roping, dogs, and everything else imaginable forever. Turner is a seasoned ranch horse and an outstanding rope horse. He'll turn steers all day while staying quiet in the box and easy to handle. He's surefooted and confident in any terrain—whether crossing water, climbing mountains, or riding through thick mud or open desert. He's just as comfortable working cattle as he is heading down the trail, making him a perfect choice for a ranching or riding partner. In the arena, Turner rides soft in the face, responds well to leg pressure, and

has a natural headset. He has a smooth trot, a rocking-horse lope, and a great stop. He has plenty of run when asked but remains quiet and collected. He's confident riding out alone or in a group, making him a great option for ranch work, the roping pen, or simply enjoying a day out on the trails. Turner's outstanding temperament makes him suitable for a variety of riders. He's handy enough for a top hand yet kind and forgiving enough to build a novice rider's confidence. He learns quickly, tries hard to please, and always brings a willing attitude to new challenges. His pedigree speaks for itself—Turner is by GUNNER ON ICE, a World Champion and National Champion Sire. His dam is a granddaughter of GRAYS STARLIGHT, a legendary sire with over \$10 million in offspring earnings across reining, cutting, and cow horse disciplines. Turner's correct conformation, heavy bone structure, and solid build make him a sound investment for longevity in any career. Turner has excellent ground manners and loves being around people. He hauls, bathes, and shoes with ease. He's quiet in the stall, happy turned out with a herd, and settles quickly in new places. Whether you need a dependable ranch horse, a steady rope horse, or a versatile partner for any adventure, Turner is ready to go. Call Estevan at 505-450-5519 to learn more or set up an appointment!
