Description

Gorgeous palomino mare by Platinum Vintage out of the great mare Gunnin For The Roses! This mare is as gentle as they come and will take care of any level of rider. She is super broke and has all the pieces solid for a reining horse. She has not been shown, and might take a few months of finish work to put together a pattern! She got behind in her two-year-old year but she's ready to enter the show pen this summer! She is much further a long than her sale video we just don't have much of her on video. We are selling her short notice because of family emergency She would also make a great addition to any breeding program! She already has two foals that were embryo transfers. One by Spooks Gotta Whiz, and one born this year by SG Frozen Enterprise. We plan on keeping him and showing him. You're buying an awesome investment with SS Vintage Rose!! (435)-633-0002
