Description

Claudette is a paint cross mule that is bay w/stockings. She is 11 yrs old, stands 13.3 hands and weighs 998 lbs. She will fit most any rider that at least knows the basics of riding. She is a free moving mule and has no quit in her. When you ride her, you don't have to do a lot of kicking. She is broke extremely nice in the bridle, in other words she maneuvers great! She will go thru whatever you ask her to go thru with no hesitation. No mountain is too tall & no valley is too deep for her. She crosses rocks, bogs & logs. She is good to halter, bridle, shoe, clip, stands tied, loads in trailer, easy to haul, good at the vet, easy to worm & she gets along well with other equine. Our client, the previous owner, had owned her for 4 yrs & had used her mostly for coon hunting. She rides at night, you can lead dogs off her, rides great in the woods, rides off by herself &

is not spooky at all. He also used her for squirrel hunting & trail riding. He has literally rested his 22 on her neck and shot right beside her head with no problems. We have owned her for 10 months now. We have used her on the ranch. She rocks at sorting cattle. We have taken her all over Texas, Utah & Arkansas on big & long trail rides. She will ride anywhere in the group, but loves to lead. She will neck rein & walk, trot and lope on cue. She is great at obstacles. We have also used her at many mule shows and mule rodeos. She is a fast & athletic little booger when you need her to be. We also have used her for giving lessons & for guest trail rides. She will have a recent Coggins test, be vaccinated, had her teeth floated & has a new set of shoes on. Feel free to call us at 501-213-8594, ask for Jennifer for more info, pics and videos.
