Description

BLACKFIRE CARDINAL CHROME

Blackfire Cardinal Chrome, stable name "Ferrari" is an amazing registered Gypsy gelding, color tested: silver chestnut. He's a gorgeous boy with a heart of gold. He'll get you noticed anywhere you go. His thick, beautiful tail touches the ground, and his ample feather is a beautiful asset to his stunning looks.

He resembles the elusive red Friesian! He has beautiful, carriage, correct headset and balance, and rides with a graceful rainbow neck while well collected, He will easily transition into higher level dressage if someone wants to take him that direction, we

can also extend his training if the buyer wants more tricks or dressage added after his sale for a reasonable monthly fee.

He stands 15hh, and is 6 years old.

He is such a joy to ride and work with. He'll entertain advanced riders, or beginner riders. He is traffic safe. He crosses water, and really enjoyed riding in the sandy Alabama rivers, through the hills of Tennessee on many trail rides, or the Florida countryside. He rides English too, and is very elegant in the English tack. He rides western, neck reigns and has a good stop. He'll put his head in the halter when you go to get him. Leads, loads, and ties like a champ. He's a very noble horse, that loves people and attention.

Ferrari is good with obstacles like plastic bottle pit, streamers, tarps, crossing metal sheeting box, platforms, balls, cones, barrels.

He rides out alone, he's never been lame, currently barefoot, great hooves. His sire is the absolutely stunning Chrome Crush! Ferrari can be registered with Friesian Heritage Horse as a qualifying Gypsy as well.

Ferrari is a a fun and graceful horse all around! Guaranteed sound!

Feel free to ask questions, and God bless you.
