Description

STREAK N BOOTS

Streak N Boots, is a flashy bay 2 year old with a silver tail affectionately called Justin. He stands 14.2, correct conformation, nice size and disposition. He will make a dual eventer, ropers better take a look! His sire, Streakin Four Sixes, earned an ROM heading and has several rope and barrel horses competing at all levels. His dam raced in the Dakotas and was unflappable and gritty. Justin is a clean slate, start him your way. This young gelding is eligible for the Royal Crown Futurities and side pots, and the Triple Crown 100. Other incentives he could be paid into are the Cowboy State and the Future Fortunes.
