U BET IMA LOOKER

'Firefly' is a very good minded young mare with great confirmation. She's been used extensively on our ranch for the past two years in the Badlands of South Dakota. She has been started right and is ready to go on in multiple disciplines. She is comfortable roping and doctoring cattle in the pasture, dragging calves to the fire, sorting cattle, etc. She's been hauled to a lot of different arenas stays the same no matter where she goes. She's eligible for multiple futurities including Royal Crown, Pink and Ruby Buckles, Gridiron, FF and more. She is well started in the roping and rides around very correct both in and out of the arena. She is a cool mover with a lot of athleticism and speed. This mare would be a great addition to anyone's program. Pattern her the way you want and take her to the futurities, the rodeo pen, the ranch, and you'll still have a

great mare for your breeding program. Don't miss out on this top prospect. FMI call Austin or Jessica Grimes 605-488-0440
